Healing Care Seminar

This seminar is for anyone who has attended the basic Formational Prayer Seminar. It will cover six foundational principles necessary for deep transformation. It will have a biblical, spiritual and behavioral focus, with lecture, discussion and lab time.

The following six principles will be the focus of this event

- How to develop community as a context for healing and transformation
- Unleashing spiritual resources that position people for lasting change
- Born for love: how empathy opens the broken heart for deep healing
- A new look at episodic engagements: meeting Jesus, facing memories
- How to develop and use right brain exercises when positioning people for change
- What you and the people you serve need to know: engaging the left brain

Seminar Leader

Terry Wardle, D. Min., Director of the Institute of Formational Counseling, President of Healing Care Ministries and Professor of Practical Theology. Dr. Wardle has conducted numerous seminars and classes on Formational Prayer, and has authored several books on related topics, including: Healing Care, Healing Prayer.
